Why Are We Different?

- **We have no political agenda**
- **We will call it like we see it**
- **We are not politically correct. Our commitment is to the students of Texas**
- **We are not here to say what you want to hear. We will explain the facts without shading the truth.**
- **Do not hire us unless you are prepared to deal with the truth**
- **We will do everything in our power to fix the problem. We do not avoid the hard stuff.**
- **We guarantee our services. If you are not satisfied you only owe us for actual expenses.**
- **We have "on call" a number of educational professionals who are experts in the field.**
